In (6) sentences write a paragraph to explain the advantages of migration

Outline

Introduction

What forces do you think drive human migration?

Body

better jobs / better life conditions / new languages, customs and cultures / developing the host countries

Conclusion

I think migrating for a limited time is better than migrating forever.

What forces do you think drive human migration? There are many advantages for migration. First, migrants can get better jobs and better salaries for sure. Moreover, migrants can enjoy better life conditions. In addition, migrants learn new languages, customs and cultures. Finally, they help in developing the host countries. I think migrating for a limited time is better than migrating forever.

In (6) sentences write a paragraph to explain the disadvantages of migration

Outline

Introduction

East or west, certainly, home is the best!

Body

feel lonely / second rank citizens / feel homesick / lose identity / cultural differences

Conclusion

Life conditions in the countries from which people migrate should be improved.

East or west, certainly, home is the best! Although migration has many benefits, it has also many drawbacks. First, migrants feel lonely because of being away from family and friends. Besides, some migrants feel that they are second rank citizens in the host countries. In additions, some of them feel homesick and long for their home countries. What's more, some migrants lose their identity and suffer from cultural differences. Life conditions in the countries from which people migrate should be improved.

In (6) sentences write a paragraph exposing the importance of law.

Outline

Introduction

Without law, life would be a mess!

Body

people's rights / safe and just society / live in peace / prevent chaos

Conclusion

Law should be respected in order to feel safe and free.

Without law, life would be a mess! Law is very important for every society. First, it protects people's rights. Moreover, it ensures a safe and just society. In addition, it helps people to live in peace. Besides, it helps to prevent chaos. Law should be respected in order to feel safe and free.

In (6) sentences write a paragraph exposing the possible solutions to put an end to tragic accidents in residential areas.

Outline

Introduction

Car accidents in residential areas have increased a lot recently

Body

stricter laws / large fines / banned from driving / sent to prison / speed cameras / road signs / speed bumps

Conclusion

Speeding is a serious problem that threatens our safety.

Car accidents in residential areas have increased a lot recently. They happen because of reckless driving. A lot of safety measures should be taken to reduce the number of accidents. First, stricter laws should be set against speedy drivers. They should pay large fines or be banned from driving for a while. Moreover, they should be sent to prison. In addition, more speed cameras should be installed. Besides, more road signs should be set and more speed bumps should be built. Speeding is a serious problem that threatens our safety.

In (6) sentences write a paragraph exposing the importance of human values for every society

Outline

Introduction

Human values are found in all religions an all cultures

Body

keep peace on earth / avoid problems / reduce violence / ensure equal rights / understand each other

Conclusion

All human actions can be dangerous if they aren't guided with human values.

Human values are found in all religions an all cultures. Without them, the world would be in chaos. First, they help us keep peace on earth. Moreover, they help us avoid problems and conflicts. Besides, they help to reduce the rate of violence. In addition, they ensure equal rights everywhere. What's more, they help us understand and be tolerant with each other. All human actions can be dangerous if they aren't guided with human values.

In (6) sentences write a paragraph exposing the reasons why people migrate to other countries

Outline

Introduction

Migration is a natural and important process in human life

Body

escape wars / better jobs / better life conditions / political reasons / escape natural disasters

Conclusion

Migration levels should be reduced to avoid its drawbacks.

Migration is a natural and important process in human life. People migrate for many reasons. First, some migrate to escape wars and conflicts in their home countries. Second, others migrate to seek better jobs and better life conditions. Third, some people migrate for political reasons. Fourth, they also migrate to escape natural disasters. Migration levels should be reduced to avoid its drawbacks.
